#### **KRS Infra Ventures Poised to Leverage India's Next Wave of Infrastructure Growth**

**New Delhi, October 6<sup>th</sup>, 2025:** KRS Infra Ventures Pvt. Ltd., a forward-looking Infra Marketing Company, today announced its renewed commitment to driving large-scale infrastructure projects in line with India's rapidly expanding development needs.

With the Government of India investing heavily in roads, smart cities, renewable energy, housing, and ports logistics corridors, the coming decade is projected to be one of the most transformative periods for the nation's infrastructure landscape. Industry estimates suggest India will require **over USD 1.5 trillion in infrastructure investments by 2030** to sustain its growth trajectory and achieve its vision of becoming a USD 5 trillion economy.

"KRS Infra Ventures Pvt. Ltd. is well positioned to contribute meaningfully to India's Infrastructure transformation. Our focus to build long-term relation with Global players to execute projects with best quality, sustainable practices, and partnerships that deliver long-term value for stakeholders," said Keshav Gandhi, Managing Director, KRS Infra Ventures Pvt. Limited"

The company aims to expand its footprint across sectors including:

- **Transportation & Logistics:** Ports, Highways, Expressways Tolls and Logistics hubs.
- **Green Energy & Utilities:** Renewable power infrastructure, smart grids, and water management solutions.

India's rapid urbanization and industrial growth underscore the urgent need for robust infrastructure. KRS Infra Ventures Pvt. Ltd. envisions playing a pivotal role in enabling connectivity, mobility, and resilience for communities across the country.

"As India moves towards becoming a global economic powerhouse, infrastructure is the backbone of progress. We are committed to support world-class projects that enhance quality of life and strengthen India's global competitiveness," added by Mr. Gandhi.
